

Small Meetings Have Big Perks

Hilton Meetings delivers productive, successful, hassle-free meetings, every time

Hilton Hotels aim to make your meetings smarter, environmentally-friendly and more personal. You'll find sophisticated, media-ready boardrooms and multi-purpose rooms that hold up to 50 meeting participants along with service that inspires guests and respects the environment.

With availability in over 500 hotels in 80 countries, Hilton Meetings will always have:

Time Saving Technology

Connectivity is seamless with high-speed internet access, data points built into the tables for quick, easy power and internet connections, 3M™ Digital Easel, exceptional audio/visual equipment and video conferencing.

Unrivaled Support

The Service Connect System provides you with a point of contact for service and technical support before, during and after your meeting at the touch of a button.

Enhanced Food and Beverage Service**

Enjoy flexible menu options, a fully stocked refrigerator and a meetings service team that is on-call to keep the tea and coffee flowing.

Online Group Accommodation Tools

Meeting organizers will know when attendees book their rooms and be able to make reservations for other guests plus monitor the room list 24/7 through Guest List Manager. Guests will have access to a Personalized Online Group web page where they can book directly and access customized information about their event or meeting.

Environmentally-Friendly

We are working hard to minimize a meeting's impact on the environment. Online tools reduce the need for paper, and all stationery is printed on recycled paper using eco-friendly inks. Sleek, hard table surfaces eliminate the need for linen coverings and laundering.

You can select an elegant boardroom for more formal meetings or a flexible, multi-purpose room that facilitates interaction among participants.

Hilton Meetings clearly stands out from the competition by consistently delivering superior meetings that meet the distinct needs of the meetings market. To find out more about Hilton Meetings, visit sansalvador.hilton.com or call (503) 2268-4545.
